Objective

Aspiring cloud and DevOps engineer with a solid foundation in computer science and electronics & telecommunications. Demonstrated leadership as a GDSC Lead, coupled with hands-on experience in cloud platforms, infrastructure as code, and collaborative tools. Passionate about designing scalable solutions and enhancing team productivity through automation.

Education

Bachelor of technology (B.-Tech.) in Electronics and Telecommunication (ENTC)

[Sandipani Technical campus of faculty of Engineering], [Latur, Maharashtra] · Year of Completion: [2024]

CGPA: 7.1

Diploma in Computer Science

[Shri Shivaji Polytechnic Institute], [Parbhani, Maharashtra] · Year of Completion: [2021]

Percentage: 82%

Leadership & Involvement

Google Developer Student Club (GDSC) – Club Lead

[Sandipani technical campus] · [2023-24]

- Organized and led technical workshops, coding competitions, and cloud bootcamps.
- Promoted awareness of Google technologies among students, encouraging innovation and collaboration.
- Coordinated events with speakers from the industry and managed a team of 10+ members.

Technical Skills

- Programming Languages: Python, Java, C, C++

- Web Technologies: HTML, CSS,
- Cloud Platforms: Microsoft Azure, Google Cloud Platform (GCP)
- DevOps & Tools: Git, GitHub, Terraform, Docker, Kubernetes (basic)
- Monitoring & CI/CD: Azure Monitor, GitHub Actions, Jenkins (basic)
- Other: Leadership, Public Speaking, Technical Documentation

Projects

Cloud-Based File Storage System (Google Cloud Project)

- Deployed a scalable file storage web app using Google Cloud Storage, App Engine, and Firebase Authentication.
- Website hosting using cloud storage in GCP, VM creation in GCP.
- Implemented secure access and real-time file synchronization across users.

Smart Home Automation (Academic Project 23-24)

- Built a basic home automation system using microcontrollers and sensors.
- Enabled automated control of lighting and environmental sensors.

Achievements

- Successfully led GDSC chapter, organizing 10+ events including hackathons and tech talks.
- Recognized for exemplary leadership and student engagement by faculty.

Personal Strengths

- Excellent communication and leadership skills
- Strong analytical and problem-solving abilities
- Quick learner with adaptability to new technologies

I declare the above information is true to the best of my knowledge.
